How to Add MyBirkman to Smartphone Home Screen

MyBirkman is a platform hosted on a website, not an app that you can download from the App Store. Add the website to your smartphone's home screen to access it just like an app!

iPhone or iPad

1. Open the web browser of your choice.
2. Go to MyBirkman.com (https://mybirkman.com).
3. Tap the Action icon:
   mybirkman.com

4. Scroll down and tap Add to Home Screen:

   Add to Home Screen

5. Tap Add or Done

   Cancel Add to Home S... Add
   MyBirkman
   https://mybirkman.co...   – you may also rename the application.
6. The MyBirkman icon will now be added to your Home screen so you can quickly access this website from your default browser.

Android or Tablet

1. Open Chrome and visit the website (https://mybirkman.com).
2. Tap the three vertical dots to the right of the address bar to display the browser's menu.
3. Tap Add to Home screen.
4. Enter a name for the shortcut such as "MyBirkman"
5. Tap Add
6. The MyBirkman icon will now be added to your Home screen so you can quickly access this website from your default browser.
